### **ACTION ITEM-----Earth Care Action Map: <https://quakerearthcare.org/map/>**

QEW continues to ask ALL MEETINGS to fill out a form to add your Monthly Meeting to the Earth Care Action Map. The form contains questions pertaining to Community Engagement, Consumption and Waste, Disaster Resilience, Ecological Restoration, Energy Systems, Environmental Certifications, Financial Planning, Food Systems, Transportation Systems and Water Systems.

The form may take more than one person/committee to complete, questions can be skipped or added later at another time.

### **\*\*\*\*ASK\*\*\*\***

Before Yearly Meeting next spring, QEW asks that ALL Monthly meetings add their information to the map. Below is the link to the form.

Here is a link to the form: <https://quakerearthcare.org/mapform/>

There is also a link on the above page that explains each of the categories:
